

TV - "Gadget" :30 General Audience PSA

DAD : (Confident) I'm good at controlling what my daughter's exposed to. But sex is everywhere.

DAD : I wish they'd make like...

(thinking)

DAD : ...sex-blocking equipment. So I could monitor everything she sees and hears.

*SOUND FX : Camera Focusing*

DAD There's so much sex on TV.

*SOUND FX : Electronic blinds closing*

DAD: And the music these days.

*SOUND FX: Electronic ear cover moving to cover ear*

DAD: I just wish there was a better way to shield her from it. Cause she's not ready to think about that stuff.

BOY VO1: You can't control your kid's exposure to sex.

GIRL VO1: But you can influence how they behave.

BOY VO 2: So talk to them.

GIRL VO 2: Tell them you want them to wait to have sex.
